

**Dalhousie University**  
**Faculty of Health**  
**School of Health and Human Performance**

**Faculty Position in KINESIOLOGY – Biomechanics and Rehabilitation**

Applications are invited for a three-year limited term appointment at the rank of Lecturer or Assistant Professor in Kinesiology in the School of Health and Human Performance commencing July 1, 2018.

The primary responsibilities of the position include teaching in the areas of joint kinematics, human movement and associated skeletal muscle control, and other courses dependent on the candidate's background and expertise, supervising undergraduate and graduate students in directed studies, and contributing to the academic/collegial life of the School and broader community. The successful candidate will have a record of successful teaching experience. Candidates must have at least one degree in Kinesiology or a related field. Preference will be given to candidates with a completed PhD. Excellent opportunities exist for collaboration within the School of Health and Human Performance, the Faculty of Health Professions, and other areas at Dalhousie including medicine, community health and epidemiology, rehabilitation, and biomedical engineering related to interprofessional education.

Applicants should submit a cover letter stating qualifications and abilities, a statement of research and teaching interest, a curriculum vitae, and three reference letters sent to: Dr. Laurene Rehman, Director, School of Health and Human Performance, Dalhousie University, Halifax, Nova Scotia, B3H 4R2. The submission of applications electronically to [laurene.rehman@dal.ca](mailto:laurene.rehman@dal.ca) is preferred. **Please reference Biomechanics and Rehabilitation position.** The application must also include a completed Self-Identification Questionnaire, which is available at [www.dal.ca/becounted/selfid](http://www.dal.ca/becounted/selfid). Consideration of applications will begin immediately. Deadline for applications is March 15, 2018.

The School of Health and Human Performance at Dalhousie University is part of the Faculty of Health, whose mission is to lead integrated health research and education through collaborative partnerships in our local, national and global communities. The Faculty also includes the Schools of Physiotherapy, Occupational Therapy, Nursing, Health Administration, Human Communication Disorders, and Social Work, the College of Pharmacy, the QEII/Dalhousie School of Health Sciences, and the Clinical Vision Science program. Dalhousie University is located in Halifax, a small, historic, and culturally-active city located in a province with substantial lifestyle advantages such as music, theatre, festivals, beaches, whale-watching, hiking, and camping.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. The University encourages applications from Aboriginal people, persons with a disability, racially visible persons, women, persons of minority sexual orientations and gender identifies, and all candidates who would contribute to the diversity of our community.

This position is subject to final budgetary approval.
